

Nothing To Lose: A Grey Justice Novel

NOTHING TO LOSE A Grey Justice Novel Choices Are Easy When You Have Nothing Left To Lose Kennedy OConnell had all the happiness shed ever dreamed until someone stole it away. Now on the run for her life, she has a choice to make disappear forever or make those responsible pay. Her choice is easy. Two men want to help her, each with their own agenda. Detective Nick Gallagher is accustomed to pursuing killers within the law. Targeted for death, his life turned inside out, Nick vows to bring down those responsible, no matter the cost. But the beautiful and innocent Kennedy OConnell brings out every protective instinct. Putting aside his own need for vengeance, he'll do whatever is necessary to keep her safe and help her achieve her goals. Billionaire philanthropist Grey Justice has a mission, too. Dubbed the White Knight of those in need of a champion, few people are aware of his dark side. Having seen and experienced injustice Grey knows its bitter taste. Gaining justice for those who have been wronged is a small price to pay for a man's humanity. With the help of a surprising accomplice, the three embark on a dangerous game of cat and mouse. The stage is set, the players are ready the game is on. But someone is playing with another set of rules and survivors are not an option.
