

Her Officer in Charge

As a stage hypnotist accustomed to playing for crowds at military bases, wrapping men in uniform around her little finger was a way of life for Bella Montgomery until she met Captain Vince Valenti and suddenly the tables were turned. Though he serves in the US Marine Corps, Vince is no ordinary officer. After working for months to track down the operative who has been stealing sensitive documents from military bases across the West Coast, the last thing he needs is a sassy showgirl interfering in his investigation. Yet from the moment he sets eyes on Bella when she arrives to perform for a gathering of fellow officers, Vince knows there is something special about her. But when Vince catches Bella sneaking around his base unescorted after her performance, he is forced to detain her. Though a brief interrogation confirms for Vince that she is not the culprit and in fact she confesses that she was only hoping to see more of him her trespassing cannot go unpunished. Soon enough, Bella is blushing red as her jeans and panties are lowered, then squirming and begging as her bare bottom is spanked long and hard. While the handsome captain's firm discipline leaves Bella sore and deeply ashamed, she yearns to experience more of his dominance, and before long she finds herself bound, naked, and quivering with need as she awaits his orders. But there is still a dangerous traitor on the loose, and despite Vince's best efforts she remains a suspect in the eyes of his superiors. Is she just a pawn in a larger game, or can she truly put both her heart and her fate in the hands of her officer in charge? Publishers Note: Her Officer in Charge is an erotic romance novel that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
