

Repossessing the mistress (Submissive Mistress Book 1)

Repossessing the mistress is a story about Emma, a married mans mistress who discovers her submissive side and thrives on it. In this tale, she had split up from her lover in order to a have a normal life and start a family but has discovered she cant live without the special sort of sex she gets from her Master. Extract: At that moment and right on cue, there is a soft knock on the door. I get up to answer it and let my wife into the room. She looks absolutely stunning, having spent all day at a beauty parlour. Dressed in an ankle length black leather coat, her hair is piled on top of her head. She looks straight across to you, naked and vulnerable on the bed and is clearly turned on at the first sight of the girl who competed with her for my attention a year ago. The paradigm has now changed; she knows you are completely at her mercy tonight. Helping her out of her coat, I see her evident desire by her erect nipples that are threatening to poke holes in the latex material of her kinky dress. You are struggling against your bonds by now. Your independent city girl persona is in conflict with your submissive nature, as is so often the case. Not wanting you to hurt yourself with your violent thrashing around, I sit on the bed next to you and hold you down firmly with a hand in the centre of your chest. I look deep into your eyes and you begin to calm down. Suzi kneels down on the other side and takes one of your delicious nipples gently between her rose red lips, sucking on it gently, so I do the same. You are now completely calm and I sense a different and very familiar emotion building. Looking down, I see Suzi has not been idle; one of her slender fingers is working its way between the moist little petals of your hungry pussy. This is an explicit erotic tale which appeals to both sexes but as you might expect, it has detailed descriptions of many sexual activities, including bondage, whipping and breeding. If that sort of stuff

offends you, please do not read it! Thanks for looking. Charlotte xxx
