

Silk & Brocade - The Complete 16-Part Victorian Erotic Romance Saga from Steam Books

There's never a dull moment in the social scene of Victorian-era England provided you can take a look beneath the surface. This sprawling collection of 16 stories gives a revealing look of the ladies of the Ashworth family as they each enter a crossroads in life that will test their passions, their loyalties, and even their greatest convictions. Join the Ashworths, the daughters and nieces of the Count of Wolfbriar, on the most important juncture of their lives: Beatrice Ashworth-Clifford, the Countess of Everglen Lady Betsy The oldest of the Ashworth sisters, married with two sons, may appear content on the outside, but secretly tires of being a wife. Augusta Ashworth-Daugherty Lady Aggie The second oldest of the Ashworth sisters, widowed without children, the promiscuous widow. Jocelyn Ashworth The youngest sister, a debutante, is a bit plump and insecure. Frances Ashworth Lady Fanny A cousin to the Ashworths who comes from the country to live with them, Fanny is a bluestocking who does not want to marry. **WARNING:** These 16 stories add up to 78,311 steamy words (about 390 pages) that feature explicit moments of sexuality and romance and may be too much for some readers to handle!
