

Office Wife 4: Other Duties As Assigned (Volume 4)

Submission and seduction on the twenty-first floor! Amy the Office Wife finds her boundaries pushed all the way up the corporate ladder. Though she has recently explored her dominant side at home, back at work the power balance remains rather different... Unexpectedly called into a private meeting with her female boss, Amy fears that her position may lie in jeopardy. To survive, she must willingly and eagerly throw herself into any task, bend over any desk, or do anything else required to satisfy every demand for her skills and her body. Even if she must humiliate herself in service to the sadistic, yet mysteriously-compelling needs of her superiors, and expose herself before her coworkers as never before.
