The room was dark; no windows graced the room at all as it was the centermost room in The Plantation. Stone walls enclosed the room in a visage of doom. Immediately Shannon began undressing him. Her hands freeing his cock from his jeans with experience, even the frigid temperature of the room couldnt diminish his desire when she touched him. Mike wondered if he was ever going to understand her magnetism.She threw his clothes in haste onto a stone bench next to the door they had just come in. Standing naked in front of her Mike allowed himself to be

examined. Shannon ran her hands in and around his body purposely checking his ass for potential weapons. Her fingers sliding into his hole without lubrication caused pain to shoot up his spine he shivered under her dragon painted fingernails. But Mike knew the game and the rush of playing along thrilled him to the core. The outside of his skin was near freezing, but the blood in his veins was pounding with heat. She forced him to the wall at the far end of the room and bound his hands over his head with the iron cuffs that were chained to the wall above him. His cock was hard and hot against her thighs as she forced his limbs to comply. Bending down, making a point to shove her fully clothed ass in his face, she buckled his ankles into the shackles at the bottom of the wall. His prick bounded with the need to plunge into that tiny soft centered ass. Shannon stood in front of him and observed her work. With a look of satisfaction she left him pressed firmly against the cold stone of the wall while she walked to the bathroom. Mike's ears felt like they would explode as the loud crass music exploded from the speakers over his head. It was a sudden massive infusion of banging and screaming that Mike expected yet it never seemed to omit shocking him. Shannon returned dressed in thigh high black leather boots, a leather corset with a matching black leather spiked band around her neck. Mike could see the silver from her nipple piercings poking through her generous tits. His cock rose higher as she stepped towards him, it followed her every move. The belt in her hand grazed his chest in a flash, Behave, you pussy loving creature! Shannon screamed above the blaring music. As the whip hit him again, this time across his bare legs Mike began to beg, Please Mistress give me your pussy!
