

Oriental Carpets in Miniature: Charted Designs for Needlepoint or What You Will

The intricate patterning and rich hues of tribal rugs from Turkey, the Caucasus, and Iran have attracted collectors for decades. Twenty-four different designs from these rich traditions, carefully reduced in scale and accurately charted, make handsome small take-along projects. Designs can be worked on fine, medium or heavy canvas. The patterns have been gleaned from museum collections, and their origins have been carefully researched and documented.
