

## For Love of a Princess

Devon Crane vows to find the signet ring that will prove he is the legitimate heir to his fathers estate. When the search leads to Sweden and the deathbed of his childhood friend, Princess Thora-Lisa, Devon faces a new challenge: honor Thora-Lisas last wish by helping Brigitta, her maid, impersonate the princess and become a healthy bride to Lisas groom. Brigitta and Devon are blindsided by an undeniable passion for each other. But Brigittas duty is to marry Erik Bjord and Devon must discredit his loathsome bastard title. Then Brigittas careful masquerade is exposed by her betrothed, forcing Devon to choose: legitimize his birth or protect Brigitta, the only treasure worth claiming.
