

On Fire

The fine line between strength and surrender. When a Navy SEAL drops into Khat Shinwaris life unexpectedly, love opens her up for the first time. But her bond with Mike Tarik comes at the expense of her familys expectations that she quit the military and start a family in her village. A sergeant in the US Marine Corps and a Shadow Warrior, Khat is torn between giving in to the love she has for this courageous man and walking away from him forever. But deep in dangerous territory, Khat goes missing. The only man who can save her is the one she might need to give up. With Mikes bravery, Khat learns to trust in the future, all while her ingrained values pull her back to old traditions. Will love or duty win out?
