

## Out of the Ashes

This story is not a story at all. It all happened. On New Years Day Becky Morley begins to write her diary. By March, her world has changed for ever. Foot-and-mouth disease breaks out on a pig farm hundreds of miles from the Morleys Devon home, but soon the nightmare is a few fields away. Local sheep are infected and every animal is destroyed. The waiting and hoping is the most agonizing experience of Beckys life ...
