

# A Course of Instructions on Landscape Painting in Oil, Water Color, Pastel Painting

This classic book offers a tutorial on landscape painting, and would be an excellent addition to the bookshelf of anyone with an interest in the art. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
