New York Times and USA Today Best-selling paranormal romance author Felicity Heaton presents Ascension. A witch on the verge of achieving phenomenal power, Lealandra must turn to her half-breed demon ex-lover Taig for protection from the dark force that is after her and also from her own magic. With her Counter-Balance dead and her coven against her, Taig's blood and power is the only thing that can help her control her magic and survive the ascension and gain the strength to defeat her enemy. Old feelings come flooding back as Taig allows her into his world and Lealandra finds herself fighting not only for survival but to win his broken heart again and heal the pain in their past.
