The heroine: a twenty-five-year-old virgin damaged by a fire and yearning to be beautiful. The hero: a passionately romantic gen-vamp (vampire/genie hybrid) living inside antique jewelry and granting temporary wishes for the exchange of blood. PRAISE for The Vampire Pendant A sizzling novella glittering with old-Hollywood heat and glamour, but best of all, beautiful, heart-touching emotion. Chris Marie Green (AKA Christine Cody), renowned author of the Vampire Babylon and Bloodlands series. I loved this story, but then I love stories about people overcoming hardships. This one has it all. A great love story, combined with plenty of magic. Mary Leo, Kindle bestselling author. This story is not only deliciously dirty, it is erotic, tender, romantic and well written.
