Praise for Evas Secret: Things heat up fast and I liked the storyline...Good characters and great chemistry throughout. Plus its very erotica and sexy. I was completely sucked in from the beginning. The connection between Nathan and Eva was undeniable. It was such an exciting and devilish good tale. However, the ending...holy cow...how am I going to get my mind off it when it ended like that? I cant wait to read Book 2! Warning: This book contains hot and heavy action, spicy descriptions, a cliffhanger, and sultry times. Read at your own risk...or delight!
