

Amanda and the Stable Master

Carolyn Faulkner's best-selling book is back! A ponygirl spanking story like no other. Amanda is taken by the mysterious stable master to be turned into a ponygirl, one whose life is being trained to bit and harness, who lives only to serve her groomsmen. Mandy a feisty businesswoman in her former life needs strict training, as she fights the inevitable, tooth and nail. With a delicious juxtaposition of punishment along side of pampering and never-ending attention, she discovers her true sexual fantasy of submission, and eventually learns to love her new life as a ponygirl. Publishers note: Amanda and the Stable Master contains capture fantasy as well as strict explicit punishment in sexual situations in a stable ponygirl setting. Do not purchase this book if these elements will offend you. Originally published as Generation Stables.
