

Uncommon Marriage: What Weve Learned about Lasting Love and Overcoming Lifes Obstacles Together

The New York Times bestseller now in softcover! What does it take to build a marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach to win the Super Bowl. Yet theyve also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In *Uncommon Marriage*, Tony and Lauren share the secrets that hold them together, revealing what theyve learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each others dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership?in other words, to be a marriage that is truly uncommon.
