

The Pendulum

Power up! Destiny is a choice! Anne Elizabeth takes her heroine, Tia Stanton, on an off-world journey to a land with strange creatures, power struggles, and an evil dictator. Even with all her magical power, she is no longer just a stock girl by day at Vivant, the sentient supernatural store, or a monster-hunting vigilante at night, Tia is being courted to become a queen! Our heroine is at a serious turning point in her life and difficult choices face her, but it is crucial that she make her own decision.
