

New Moon (Phases of Passions, Book 1) (Werewolf Romance - Paranormal Romance)

Erin can't help but be taken in by handsome newcomer to her office, Sean. The way he stares at her with deep, dark eyes sends a sensuous shiver right through her body. Erin is drawn to Sean, not just because of his devastatingly handsome looks. One night, when he needs a ride home, Erin is glad to offer, but alone in the car, passions run high and soon Erin is finding out just how intense her attraction to Sean is. But he hides a dark secret. Sean is mysterious and a loner, could he be linked to the spate of murders occurring round town? Could Erin be sleeping with a killer? *** Genre: Werewolf Romance / Paranormal Romance, length: 10,200 words. This book can also be found as part of the trilogy, Phases of Passions (Trilogy Bundle) (Werewolf Romance - Paranormal Romance) ***
