

Shagged 2: A British Stepbrother Romance (A Royal Affair)

Natasha As if sleeping with my stepbrother on the eve of his wedding wasn't stupid enough, I've now agreed to be his Bride-to-Bes Maid of Honor. Now Sebastian is doing his best to avoid me, but I'm not going to let him get away with it. He can't just sleep with me and pretend like it never happened. Sebastian's hiding a secret. Something about his engagement doesn't add up and I'm determined to find out why. Sebastian Avoiding Natasha is cowardly, but it's the only way I can control myself. The temptation to call off this whole scam of a wedding and run away with her is too great. I have to stay focused on the billion dollar payday waiting me. The money will fix my family's problems for a lifetime. That's assuming I can avoid being caught with Natasha. She's hellbent on exposing my secrets. If she keeps playing with fire, she's going to get burned.
