Join our newsletter by texting BooksandMore to 22828. Let's imitate some Fifty Shades over some Jodeci grooves. According to a broken heart, love equaled pain. William David, better known as Silk, knew all too well about that sort of pain. Upon meeting Natalie Jane Lorin, everything he swore against, suddenly becomes irrelevant. In the follow up to Plain Jane, the love between Silk and Natalie takes you on an explosively erotic ride. Nothing comes easy according to Joyclyn, and when discovering her protege, Silk, has taken a liking to Natalie in more ways than one, she vows to put a stop to it. However, she can't let Silk know what she's up to. Instead, she discovers what would be the perfect distraction for Natalie: Kenneth, her estranged husband. This series gets steamier with forbidden sex, devious plans for the heart, and the quest to claim one person; Natalie. Will Natalie fall blind to the three people in her life vying for her attention? The prize is Natalie; who's going to win? Is it her new best friend, who holds a secret desire for her, her newest flame, who is part of a devious plan, or her estranged husband, who now wants her back? Find out in Plain Jane 2. More secrets, more sex, more drama.
