

Alchemy xii - The First Quarter: New Years Eve - January - February - March (The Alchemy Quarterlies Book 1)

This omnibus edition contains the prologue and first three episodes of the Alchemy xii series. No one could ever accuse Harry Lomax of being a Doms Dom. Sometimes he even forgets to make his submissives call him Sir. But he is the charismatic Prince of Kink at Chicagos most secretive and exclusive sex club, where he runs Alchemy xii, the clubs prestigious year-long training program for would-be subs. When Harry spots Olivia Roux across a crowded floor, hes under no illusions as to what she is and what she isnt. A blond, Amazonian goddess, Olivias no ingenue. Shes a woman of the world whom he suspects might have a thing for kink, if only she realized it. One thing is for certain Olivia is nobodys bitch. Harry knows that he wants her. For his Alchemy xii training program, thats for sure. But for himself? Harry will try anything once and Olivias a woman whos got his name written all over her! Olivia has no intention of becoming anybodys sub but shes intrigued enough by Harry Lomax to join the Alchemy training program. Before they begin, Harry gives Olivia a diary. Its for you to write down exactly what happens at Alchemy. And, more importantly, your feelings about what youre going through. Things that were good and things that upset you or scared you or that you didnt like. No one else will read it but you said Harry. For one weekend a month over the course of the coming year, Olivia must report to Alchemy and follow Harrys every instruction. By the end of the year, if shes deemed an exceptional sub, she might be offered a permanent position in the club. If shes not, shell probably never see Harry again. But Olivia is a woman who finds it tough to call anyone Sir
