

Converted By the Pool Boy (MM Gay First Time Erotic Romance)

Edward Carmine believes that the young man he has hired to clean his and his wife's pool has been swimming in it instead, and he resolves to catch the young man in the act by setting up a secret security camera in the back yard. Within days, Ed not only catches Greg on camera using the pool, but he sees a lot more when Greg's boyfriend shows up. Ed watches the tape in shock, both horrified and aroused by the images on the screen. But why the hell is he aroused? He's not gay! Yet when he gets Greg to come over to explain himself, the young aggressive man notices Ed's arousal at the situation, and he's not about to let something like that go literally. After all, there's nothing more exciting than converting an innocent straight man
