

Automobile Accident Checklist, Second Edition

The easy-to-use guide to automobile accidents. The Automobile Accident Checklist, Second Edition streamlines and organizes all the information you need to represent your injured client in an auto accident case. The checklist format allows you to quickly determine what issues are present in the case, how to formulate the legal theory that will lead to success and how to blunt the effect of any defenses. Representative cases are provided for each point of law discussed as a starting point for your individual research. Make sure all aspects of your automobile accident case have been examined and considered before you negotiate a settlement or go to trial by using the Automobile Accident Checklist, Second Edition
