

Kings Pregnant Mistress: His Majestys Submissive Boxed Set (Kings Pregnant Mistress Series Book 4)

Just \$0.99 for a limited time! ONE ARRANGEMENT. ONE FORTUNE. ONE TRUE LOVE? River Wilders contract with the King is simple: five million dollars for two years of her life and total surrender to his carnal needs. That's why she came halfway around the world to this small Mediterranean kingdom, right? Just when River thinks she's prepared for His Majesty's desires, the devastatingly handsome monarch reveals a deeper purpose for his new submissive... King Lukos has thwarted dangers in his violent kingdom time after time, but no threat is worse than growing old without an heir. Convincing his submissive to give him a baby is the easy part. Keeping delicate River safe from deadly rivalries promises to be much harder. Especially when the stern King feels his heart warming to this beautiful American woman, a shock that can only end in true love or total disaster... Originally published as a three part erotic romance serial. Now, all three books are collected in one boxed set!
