

## Present Moment: Embracing the Fullness of Life - a 2012 Wall Calendar

Amber Lotus is proud to partner with Sounds True to publish The Present Moment 2012 Wall Calendar. For more than 25 years, Sounds True has been a leader in transmitting the life-changing insights of the world's wisdom traditions. This new calendar brings together the insights and inspiration of twelve of Sounds True's most popular authors - including Pema Chodron, Jon Kabat-Zinn, Eckhart Tolle, Dr. Clarissa Pinkola Estes, and Thich Nhat Hanh - with beautiful images meant to draw us into the power and the depths of this very moment - now and throughout the year. The insights and inspiration of these wise teachers encourage us to see through the illusion of past and future and enter into the only moment there is, the present. The interior pages of this calendar are printed on 100% recycled, 50% post-consumer paper, processed chlorine free and printed with soy based inks. In addition to printing our products on recycled paper, Amber Lotus Publishing continues to plant trees and offset our carbon footprint with NativeEnergy.
