

The Dark-Hunters, Books 19-21 (Dark-Hunter Collection Book 7)

#1 New York Times bestselling author Sherrilyn Kenyon has entertained millions of readers with her extraordinary Dark-Hunter series. With over 40 million copies of her books in print, Kenyon was dubbed the reigning queen of the wildly successful paranormal scene by Publishers Weekly. Here together for the first time in a fabulous eBook bundle are her popular Dark-Hunter novels: Retribution Brought together by an angry god, Jess and Abigail must find a way to overcome their mutual hatred or watch as one of the darkest of powers rises and kills both the races they've sworn to protect. The Guardian To save the one she loves, Lydia must descend into hell. But when she is captured by the fiercest warrior there, she must win Seth over, or see her life and that of Solins end. Time Untime For thousands of years, Ren has fought the same evil that once possessed him. Now, he must ignore Dark-Hunter law and kill Kateri, or the deadliest of evils will reemerge and destroy everyone.
