

Licorice Lass: (Plus Size Romance Series)

Lola Westlock is obsessed with sexy, kilt-wearing Scotsmen. In her imagination, these ruggedly-handsome heroes always take center stage and play prominent roles in all of her romantic fantasies. When a real-life highlander shows up at her favorite candy store, she wonders if her daydreaming has gotten way out of hand. But soon a cold dose of reality tells her she is wide awake. Nigel Lachlan has made a long trip to the United States in hopes of fetching himself a bride. His becoming Laird of Lachlan Castle hinges on him bringing home an American wife. Within a few moments of his arrival, he encounters a cute, curvy, caution-to-the-wind spitfire who takes his breath and tents his kilt. Unfortunately, the licorice-loving lass who has quickly caught his eye isn't the woman he crossed the ocean for. Can a promise etched in stone be broken in order for true love to be realized? Or, are Nigel and Lola destined to be brokenhearted for all eternity? Licorice Lass is part of the Plus Size Romance Series. Each book is a standalone with no overlapping characters, storylines or cliffhangers. This series is a perfect combination of romance, steamy love scenes and humor. The stories are sensual and romantic, uplifting and lighthearted. Feel-good reads that leave you feeling great!
