Welcome to the ninth edition of The International Comparative Legal Guide to: International Arbitration. This guide provides the international practitioner and in-house counsel with a comprehensive worldwide legal analysis of the laws and regulations of international arbitration. It is divided into two main sections: Four general chapters. These are designed to provide readers with a comprehensive overview of key international arbitration issues, particularly from the perspective of a multi-jurisdictional transaction. 48 country question and answer chapters, which are further divided into six regional sections, with an overview chapter for each region.
