

Forbidden Highlander (Highlander Trilogy Book 2)

Cree and Dawn's story continues in *Forbidden Highlander*. Dawn struggles to accept her future as Cree's mistress while his future bride Lucerne Gerwan arrives in the village. But there is more for her to worry over. The attempts on her life continue and she fears Cree's reaction when he learns that she carries his child. The situation grows worse when warriors from the McClusky clan arrive in the village and the laird, Kirk McClusky, claims that Dawn is his daughter. Dawn wonders if it can be true and though her father insists she return home with him, she knows her love for Cree will never allow her to leave him. She cannot envision life without him. Cree faces many obstacles in ensuring Dawn will be his, the hardest being his own failure to tell Dawn how he truly feels about her. But when she is taken from him, his temper rages and nothing stops him from bringing her home. He cannot think of life without her. Cree and Dawn battle old secrets that finally surface and threaten to tear them apart. And it is with strength and courage that they fight for their love and a future together.
