

Polyamory: The Practical Daters Guide to the Pursuit and Maintenance of Open Relationships ****FREE BONUS BOOK**** (Polyamory, Polyamorous, Relationship, ... Polyamory Dating, Open Relationships)

Discover How to Pursue and Maintain Polyamorous Relationships! + **FREE BONUS BOOK!!!** Before you read any further, answer these simple questions: Have you finally grown tired of serial monogamy?? Do you ever wonder if there is any other way to have a more varied, fulfilling love life? Have you been pondering the idea of openly and honestly developing relationships with more than one partner, but are worried about what others may think? If you answered yes to at least one of the above questions, then this book is just what you need to get informed, grow confident, and take the steps necessary to get exactly what you want out of some of your most important relationships! Polyamory Revealed: The Practical Daters Guide to the Pursuit and Maintenance of Open Relationships was written with curious, open-minded, free-spirited individuals like you in mind. In between these pages, you will veer beyond the taboo surrounding plural partnerships and gain a deeper understanding of what poly love is really all about. You will learn about the different models of polyamorous love and the important poly lingo that every beginner should know. You will discover the best ways to handle jealousy, insecurity, and all of the other problems encountered by poly folk. Because after all, free love does not equal carelessness! But that's not all! You'll also receive answers to these burning questions: How is polyamory different from cheating? What are the benefits of being in a polyamorous relationship? What are the most important rules to follow when engaging in polyamorous relationships? And much, much more! So what are you waiting for? Take action, not now, but right now, and download this exciting roadmap to polyamorous dating today!
