

A Stepbrother for Christmas: The Hard and Dirty Holidays

Annalise dreads seeing her stepbrother at her familys Christmas get-together. Niles had always been so nasty, tormenting her in high school after their parents had gotten married. British and snobby, Niles did everything he could to hurt Annalise when they were younger. Now, Annalise hasnt seen Niles in three years; hes been away at school in England and Annalise has started her pre-med program in Dallas. When they reconnect, dark memories threaten, sparks fly, and they give true meaning to the hard and dirty holidays. Happy Holidays from Celia Aaron - Forced by the Kingpin FREE at the end of this book. xoxo Full disclosure: This is a smoking hot erotic tale with explicit sex and dubious consent. If this is your candy, enjoy.
