

## The Druid Series 9: Baird (Volume 9)

Siana has disappeared. As an Exotic and Druid warrior queen, she is not beholden to the magick call of sex slavery as the Druid witches of her upbringing. She does not realize as she runs, Baird and Kael follow with opposing agendas. Now that Jessamine is within the subjugation of the undead, the Druid females will be ruled by the fair hand of Imogen and her Reaper Kings, Carrig and Quinn. When a gathering of remaining Druid priests come against the new kingdom, the Reapers find their numbers too few to protect the stronghold. Altho and the gifted Druid female Seraphina cannot reconcile the inception of their relationship, and her promise to be his. Altho seeks guidance from the Reaper leader, Maghnus... only to discover they vie for more than power alone. Can Siana obtain the freedom she wishes and the love she denies? Will the new kingdom of Reapers succeed in the protection of their Druid females? Do Altho and Maghnus hold the key to revolutionizing the power structure of both Druid and Reaper?
