

Australian Cattle Dog Puppies 2016 Mini 7x7 (Multilingual Edition)

Alert, hardy, watchful, and possessing tremendous stamina, these dogs were bred to work cattle on vast ranches in the harsh terrain and inhospitable climate of inland Australia. Extremely intelligent, the Australian Cattle Dog requires regular exercise and activity if it isn't running, chasing, and herding out on the range. Fans of Australian Cattle Dogs are sure to appreciate the playful puppies in this charming mini wall calendar. Includes a free download of the DogDays App; app for the smartphone and tablet, which grants access to the world's most captivating dog photos and backgrounds, fun puzzles, and a calendar featuring your favorite furry friends. BrownTrout is committed to sustainability.
