

## An Uninvited Guest (Red Label - Erotic BDSM Stories of Breast Bondage and Tit Torture)

Living alone, Megan is used to doing whatever she wants, whenever and wherever she wants to do it. This night being no different, she gets naked and gathers her toys. Then she ties her breasts as brutally tight as she can get them and settles in for an hour or so of wonderfully agonizing self-torture and masturbation before bed. That's when HE walks in -- the shy, handsome neighbor -- uninvited and unaware. One look at his face tells her everything she needs to know -- she's about to learn what erotic bondage and sexual punishment are really all about. (Editors Note: This work contains graphic language and sometimes extreme sexual depictions of consensual female bondage and sadomasochism. It is intended for mature audiences only and is not suitable for persons under eighteen years of age.)
