

## Conan #2

Cry for Dawn creator Joseph Michael Linsner provides another stunning cover, as Kurt Busiek and Cary Nord adapt their first original Robert E. Howard story, The Frost Giants Daughter. In the wake of a bloody massacre, Conan comes face to face with the ultimate vision of beauty, an irresistible spirit of the northern wastes. Seduced by the nude beauty, Conan must confront her trollish brothers in this important moment in the life of the greatest fantasy character of all time.
