

Reencuentrate con tu fe (Spanish Edition)

Reconnecting With Your Faith is a selection of teachings from the Holy Father since his pontification, using key words and presented in alphabetical order. It invites us to put God in the center of our life, and to daily be a leader in the true revolution that the Lord brings to us, called love, and to have its message close to our heart. Each word leads us to an inspiring and vital meditation from the pope regarding various important spiritual themes. Being fully aware of the feelings of modern society, Benedict XVI brings forth a message of peace to the suffering, but he also gives us relief in the form of comfort, hope, and confidence in Jesus, and the assurance that he will never leave us alone. Pope Benedict XVI is amply recognized as one of the most brilliant theologians and spiritual writers of our time. His writings cover all of the topics that could interest man in the third millennium, among which is Jesus of Nazareth.
