

Artemiss Hunt (Sons of War, book 2.5)

Artemis, goddess of the hunt, has lived with heartache for the last fifteen hundred years, believing her only love is dead. That's what her father Zeus, king of the gods told her. After recent events brought the truth to light, Artemis must gather the courage to face her lost love again. Evangelos, former god of messengers, was content living in the mortal world until he discovered he has a daughter and her mother is Artemis. When the goddess shows up at his place of employment with tales of renewing his god status, he's skeptical. Zeus wouldn't reverse the curse out of the goodness of his heart. There is always a catch. The god king wants something in return. When Artemis explains she has to hunt down her stepmother, Hera, in order to get Evan back into Zeus's good graces, Evan demands to accompany her. However, the journey turns out to be a test that could bring them closer together or tear them apart forever.

Artemiss Hunt (Dragons of Ares Book 3) - Kindle edition by Lia Artemis, goddess of the hunt, has lived with heartache for the last fifteen hundred years, believing her only love is dead. That's what her father - Zeus, king of the gods told her. After recent events brought the truth to light, Artemis must gather the courage to face her lost love again. Evangelos, former god of messengers, was content living in the mortal world until he discovered he has a daughter and her mother is Artemis. When the goddess shows up at his place of employment with tales of renewing his god status, he's skeptical. Zeus wouldn't reverse the curse out of the goodness of his heart. There is always a catch. The god king wants something in return. When Artemis explains she has to hunt down her stepmother, Hera, in order to get Evan back into Zeus's good graces, Evan demands to accompany her. However, the journey turns out to be a test that could bring them closer together or tear them apart forever.
