

Claim Me (The Stark Trilogy, Book 2)

NEW YORK TIMES BESTSELLER From J. Kenner comes the second novel in the fast-paced trilogy that started with Release Me. This sexy, emotionally charged romance continues the story of Damien Stark, the powerful multimillionaire who never had to take no for an answer, and Nikki Fairchild, the Southern belle who only says yes on her own terms. For Damien, our obsession is a game. For me, it is fiercely, blindingly, real. Damien Starks need is palpable his need for pleasure, his need for control, his need for me. Beautiful and brilliant yet tortured at his core, he is in every way my match. I have agreed to be his alone, and now I want him to be fully mine. I want us to possess each other beyond the sweetest edge of our ecstasy, into the deepest desires of our souls. To let the fire that burns between us consume us both. But there are dark places within Damien that not even our wildest passion can touch. I yearn to know his secrets, yearn for him to surrender to me as I have surrendered to him. But our troubled pasts will either bind us close ... or shatter us completely. NOTE: This edition includes an excerpt from J. Kenners Say My Name. Claim Me is intended for mature audiences.
