Now, readers can get three sizzling feminization shorts (plus one bonus gender transformation story!) by Aurora Sparks for the discounted price of \$3.99a more than 40% discount versus buying each story separately! In *Sissified for Science*, the sexy and dominant Dr. Annette Braczynski has a hypothesis that could turn psychology on its head: in a strictly controlled environment, with the help of verbal programming techniques, any man can be transformed into an effeminate sissy boy. She finds the perfect subject in Raymond Smalls, who volunteers to take part in her week-long study in hopes of taking home an easy \$35,000. Little does he know hes signed up for seven days of sissy hypnosis, crossdressing and nonstop erotic humiliation. *Sissy-Priss HISSY FIT!* tells the story of Tyler Lanford, an alpha male douchebag who uses intimidation and temper tantrums to get his way. He meets his match in Lanie Brown, a gorgeous, dominant young woman who gets her kicks bringing macho men to their knees. He takes her home expecting a one-night stand, but she surprises him by mocking his package and demanding he come back in a cute dress and heels. When he returns, her musclebound friends are waiting to take him from behind! In *Hypno Sissy Syzygy*, actuary Dirk Quarrel visits psychoanalyst Hilda von Hundin for help with his control freak tendencies . Her professional opinion: Dirk needs to embrace his feminine side by surrendering to a dominant womanand she offers to be that woman. But her motives arent entirely pure; with the help of butt plugs, sexy clothes and hypnosis, she plans to emasculate him and turn him into the sissy sex toy of her musclebound German lovers. It all leads up to an epic evening of ass play, oral, glory holes and spectacular astronomical alignments. Also included is *More Than (S)he Bargained For*, a gender transformation story featuring BDSM and erotic humiliation!
