

Rescuing Rebecca: a novella (Clearbrook Abbey Book 1)

Bestselling and Award winning author Teresa McCarthy launches an exciting new series! A land of High Society and fascinating possibilities... Plunge into Regency England where dangerous heroes and despicable villains throw the eligible young maidens of a prestigious school in Bath into a world of chaos and intrigue! Book 1, Clearbrook Abbey - When the rugged Captain Argyle protects the school and its residents from a wave of break-ins, he is surprised to find more than he bargained for in shy schoolteacher Lady Rebecca. But Lady Rebecca has enough trouble without the captain adding to it! However, neither the captain nor Rebecca are ready for the sparks that fly between them or the villains that are thrown into their path. Protecting the prized school from threatening interlopers is one thing, but protecting their hearts is an entirely different matter! This series is a spinoff of the Historical Regency Romance series THE CLEARBROOKS!
