Recommended for 18+ Lannings Leap Series 1. Misha 2. Thomas 3. Carter 4. Phillip 5. Andrew (Coming 4/4/2016) 6. Rider (Coming Soon) Phillip Lanning is beyond tired. The jobs theyve been doing with their search and rescue company are just draining him. He needs a break and isnt sure how to tell his brothers that hes burnt out. When Nic appears in his apartment to tell him of another mission, this one happens to be his mate, and shes sick to boot, Nic tells him that the only way shell live is if he converts her into a leopard. She doesnt have much time left. Phillip doesnt know what to think. Charleston Grant, better known as Charlie, knows her days are numbered. The tumors pressing on her optic nerve and the doctors arent giving her long. And when she fell into possession of a coded book, she and her mom became a target. Charlie just wants to get her mom to safety before she dies. Nic tells her he can help her with that, to go with the Lannings and everything will work out. When Charlie wakes, she knows something is off. She was supposed to die, but instead she can see. And the story she gets about shifters and immortality has her head spinning. Not to mention finding out that her mother isnt really her mother and her life to this point has been one big lie. And the woman shes been protecting has sold her outCharlie is at her wits end. Now a surprise visitor, a fate, shows up and says that Charlie and Phillip were never supposed to meetshes had gone to great lengths to make sure of itnow both Charlie and Phillip are pissed. Who does this woman thinks she is?
