

Damsels Volume 1

Once upon a time, the princesses of classic fairytales banded together to save their kingdoms from war! Rapa, a redheaded girl with a fiery spirit and lost memories, discovers a conspiracy that threatens the peace among all the mythical creatures of the land. Joined by the Little Mermaid, the Frog Prince, and Red Riding Hood, Rapa journeys through fabled forests and legendary realms on a quest to foil the scheme! Who has stolen the identities of Rapunzel, Belle, and Talia, the beloved heroines, and plot to destroy all the Faerie races? As an added bonus, Damsels includes Behind the Magic, a collection of whimsical prose tales from The Brothers Grimm and 1,001 Arabian Nights!
