

Favorite Things: Bound

bound adjective restricted or confined to a specified person or place It was amazing to me how one word could hold so many meanings. Not only did our lives have physical boundaries, both man-made and natural, but our hearts also held captive those we loved, binding our souls together for all eternity. So, when my playful husband pulls out the blindfold and cuffs, I dont dare question the boundaries we might cross in bed, enjoying Josh and all his marvelously dominant qualities. My name is Cari, and these stories are just some of the Favorite Things my husband and I love about each other. Warning: Bound is part of the Favorite Things series, a set of erotic short stories that stand alone for your reading enjoyment and include light BDSM sexual content meant for adult readers 18+.
