

## Risking It All

What is it about extreme surfer John Cash Cashman? Ambitious documentarian Rina Calhoun has filmed risk-taking sports enthusiasts before, but she's never made a private tape of one of these bad boys. And it turns out the daring, hot movie versions got nothing on the real thing! But Rina's X-treme documentary is turning into an X-asperating docudrama, since Cash won't sign her release form. No paper from him, no big break for her. Cash wants to help the fiery little number behind the lens, but he can't because his secret life as a navy SEAL has him deep undercover. Yet as Rina stumbles into the line of fire, all bets are quickly off. He's risking everything to save her. But will it be enough?
