

The Income Bible: How to Work from Home and Generate an Income on the Web - an Inspirational Guide, Inspirational Books, Book 8

Working from home on the Web is a dream that resides in the hearts of millions of people across the world. But, its also a dream thats realized by only a small percentage of the population. Thats because most people simply dont know where to turn when it comes to working on the Web. They get sucked into one get-rich-quick scheme after another. They chase empty promises and live unfulfilled lives as their once vivid dreams of working for themselves slip further and further away. But, it doesnt have to be that way. That dream doesnt have to slip away. In fact, that dream can quickly become a reality as long as youre willing to do the work, and overlook temporary setbacks and personal defeats. The Principles to Success on the Web Everyone fails in life at something, some time. Its what makes us who we are. But, countless others also succeed where most have failed. How is that? They stick to the principles of success on the Web, thats how. They overlook their failures and learn to push past them. And, succeeding on the Web is no different than succeeding at any task in life. On the Web, were shrouded by a thin veil of anonymity that allows people to attempt to take shortcuts to success. But, there are no shortcuts to success. Rather, if you stick to the principles of success on the Web, over time, you can succeed at any endeavor you put your mind to. An Inspirational Guide to At-Home Income In this book from the Inspirational Books Series, I dive into a discussion of what it takes to understand your income goals and your dreams, uncover your skills, and apply those skills to supplementing or replacing your income by working on the Web. However, this book is not all about income opportunities; its also about understanding what it is you truly want in life, and how you can create a plan to achieve it.
