His career is going wellhes on track to make full partner, having won more cases than any other lawyer in the firm. His love life is another matter. Shes a paralegal at Dryer and Stokes, and worries about losing not only her husband but also her job if things fall through with the sexy junior partner. She cant resist their advances when they both join forces to seduce her, and quickly decides she doesnt need to. Sex with two men is hot. Until Tuckers true appetite is revealed, and Brooks vanilla world is turned upside down. About Jenna Byrnes Jenna Byrnes could use more cabinet space and more hours in a day. Shed fill the kitchen with

gadgets her husband purchases off TV and let him cook for her to his hearts content. Shed breeze through the days adding hours of sleep, and more time for writing the hot, erotic romance she loves to read. Jenna thinks everyone deserves a happy ending, and loves to provide as many of those as possible to her gay, lesbian and hetero characters. Her favourite quote, from a pro-gay billboard, is Be careful who you hate. It may be someone you love.
