He growled at me and I shuddered, feeling the vibration of his voice through my body. He kissed my stomach and my hips as he slid my jeans off, revealing the red panties I had changed to when hed texted me. He used his teeth to pull those off as well, and, as I felt the enamel of his teeth brush against my skin, I felt goosebumps rise, my arousal showing in the wetness between my legs. He dropped my panties on the floor and returned to my pussy. He began to nose at me and lick it as I spread my legs to him. He kissed my inner thighs, sliding two fingers into my vagina as he did so, and he began to move his fingers in and out. I groaned with pleasure as he simultaneously stimulated me inside and out. He moved my legs over either of his shoulders, and my calves pressed into his hot shoulders, burning with his core temperature. Youre so hot, I groaned, how do you do that...?
