

Jessie: Bride of South Carolina (American Mail-Order Bride Series) (Volume 8)

Tired of living under her fathers iron thumb of control Jessie Wilcox decides to do the unthinkable: run away to Montana as a mail-order bride. The only obstacle in her way: the one hundred miles between her home in Williamsburg County and the train depot in Charleston. Joel Cunningham is in utter disbelief when the girl he once loved beyond reason is on his front porch asking him to disobey her fathers wishes and drive her to Charleston. Logic and reason scream no; his lips, however, say yes. Will the one hundred miles ahead of them be enough to overcome the five years of painful regrets or will Jessie follow her dream for a new life in Montana?
