

Masters of Desire: WITH Pirate of Mystique Island AND Ghostly Lega

Pirate of Mystique Island by Myla Jackson A magnificent man rises from the sea before the siren Melodie and she is enchanted in an instant. Lord Rafe Herrington is naked, his skin a shimmering blue, his muscles outlined by silvery rivulets. She longs to trace the water-path-down, down, down-and caress him tenderly. A deep spell binds him prisoner, but a shattering climax can free him. Ghostly Legacy by Layla Chase Know me. Know my body. Reiduns whispered command arouses a potent response in her Norwegian warlord. He vows to give her the utmost pleasure-until fate parts them forever. Then a modern woman hears his voice as she wanders through an ancient castle-and the warlord lives-and loves-once more. Kekets Curse by Shayla Kersten Given as a handmaiden to the ancient temple of Goddess Hathor, Jamilas body and beauty mesmerize all men. Cursed by a jealous priestess, she can never be truly satisfied-until centuries later, still young, still beautiful, she is saved by David. His kiss explodes her bonds-and sexual ecstasy is next. Warning! This is a REALLY HOT book. (Sexually Explicit)
