To serve out my penance, I was supposed to intrude on my victims dreams and twist them into something so hot that they had an orgasm while they slept. It didnt matter how they came, as long as they did. With each orgasm, a bit of their lifes essence is transferred to me, sustaining my life through this hell until my sentence was served. Paranormal Penance: Ravishing Revenge: I moaned wildly as I came. My tight asshole clamped around the grimy bikers pulsing cock. Suddenly I felt the heat of the burly mans cum fill my gaping ass and reveled in the bliss of adding another day to my life. We collapsed on the gritty, ashen bar table as the crowd burst into applause. Paying Her Debts: She moaned out loud as he moved from her lips down to her neck, sucking with such bruising force at the pale, sensitive skin that she could imagine the scarlet marks forming on her flesh, his power claiming her body. The blossoming crimson flowers

of pain and arousal were driving her mad with desire, her pussy wet and dripping, her breasts swollen and sensitive, aching to be stimulated, aching for the rough calluses of his palms to create a raw, delicious friction against her hardened nipples. Finally she was gratified, his hand squeezing and kneading her soft mounds through the lace, creating a coarse sensation which she was desperate to rub herself against. Too Hot to Handle: But before I even knew what was happening, I had been stopped mid-lunge. Max grabbed my wrists hard and crushed my body between his own solid form and the wall of the bathroom. He seemed to hesitate for a moment, his passionate, emotion-filled eyes meeting my own wide, surprised ones. It seemed like he hesitated for a very brief moment before crashing his lips against mine, demanding my submission, the bruising force of his hungry mouth making my teeth cut into the delicate flesh of my lips. I tasted the acrid flavour of my own blood, and it was that which jolted me out of my initial shock. Fighting against his iron-clad grip, I struggled beneath him, trying to shout out, to free myself.
